

Announcing.....

Run for Education – Color Edition Friday June 3, 2022

The Run for Education is a *jog – a – thon* that takes place during the school day with all students participating by walking, jogging, or running around a designated route. The run is a fun way for the entire school to get involved with fundraising. The Run for Education is one of the largest fundraisers where students get family, friends, and neighbors to pledge money - with 100% of all funds raised being applied to your Family Fundraising Obligation.

BACK BY POPULAR DEMAND..... *we will be holding a COLOR EDITION* of the Run. We hope that parents will be able to attend and volunteer with this splashy color edition of the Run. Here are this year's details:

- Run times will be separated by grade level, when a grade is not running... they may watch and cheer on their school mates.
- There will be spectators allowed this year, in addition MANY volunteers are required for this event to ensure the safety of all students. If you are available from 8:00am – 12:00pm on Friday, June 3, please contact the Run Coordinator at pto@ascaalbany.org for details on how to help.
- Permission Slip and Fundraising envelopes are attached, allowing a few weeks for students to collect pledges from family and friends – both should be returned, with donations enclosed, to the school **by 12noon on Wednesday June 1** (to allow for prize distribution the day of the run). Late returns *may result* in your child not receiving their prizes prior to the run.

Participating in the Run for Education helps show our students the importance of fitness and health. It teaches team work, goal setting and school spirit. It also gives the students a chance to help raise money for their school. There will also be opportunities for the students to win prizes for their fundraising efforts. Prize Levels are below and are cumulative:

- Under \$50: earn dress down day pass
- \$50 - \$99: earn an All Saints Color Run white t-shirt (*new design for 2022*)
- \$100 - \$149: earn sunglasses
- \$150 – \$200: earn hat
- \$201+ earn pizza party along with ice cream

For families with more than one child at the school – you have the option to combine your families fundraising donation into one or have your children submit individually. If you choose to combine, the total amount donated will be divided evenly among the number of your children.

For example: If you have 2 children choose to turn in 1 envelope with \$100 dollars – each child would be eligible for \$50 of prizes – this would be 1 dress down day pass & 1 color run t-shirt each

Remember, to allow students to participate in the run, they must have the attached Permission Slip signed and returned to the school office by due date. To be eligible for any prizes – your fundraiser envelopes (pledge forms & sponsorship money) must be turned in to the school office **by 12noon on Wednesday June 1, 2022** this will allow the Run Committee time to award the prizes.

Please feel free to contact us with any questions. Thank you in advance for your support!

The 2022 Run for Education – Color Edition

Friday June 3, 2022

(Rain Date: June 10, 2022)

The color zone will have volunteers who will toss non-toxic colored powder and/or wet color for each lap a student completes. The color will be thrown towards the student's t-shirt. The color zone may be bypassed if a student does not wish to go through color. The powder and/or wet color is nontoxic and usually washes out of clothing. However, we recommend that the students wear clothing you don't mind getting color on. We also recommend that your child brings a change of clothes and a towel for the ride home.

Please sign and return the permission form for each child below by June 1, 2022. This will allow your child to participate in this event.

I, _____, parent/guardian of _____
_____ in Grade _____ hereby give permission for my student to participate in All Saints Catholic Academy Run For Education – *COLOR EDITION*. This will include walking and running, and I acknowledge that he/she will be passing through a color zone where non-toxic powder will be tossed on the student.
