

# Meet the

# TEACHER

Hi there! My name is

Dr. Steele

About Me:

I teach Middle School English Language Arts, and I am also the 6th Grade Advisor at ASCA. I am originally from Nebraska. I got my bachelor's degree at the University of Kansas, master's degree at Penn State, and my doctorate at Creighton University. This is my 12th year teaching and my 2nd year at ASCA. I have been lucky enough to teach in schools across four different states including California, Pennsylvania, South Carolina, and New York where served as an English instructor and a secondary instructional coach.

Outside of school, I love spending time with my family and friends. I have been married to my husband for 17 years, and we have three children who are very active in sports. When I am not at the field cheering on my kids, I love being outside hiking or curled up with a good book.
