FACTS Grant & Aid

Families seeking **additional tuition assistance** for students in grades 1 - 8 are required to apply annually through FACTS Grant & Aid.

Every family requesting additional tuition assistance is required to complete the FACTS Grant & Aid application.

- ◆ Only **verified** FACTS applications are considered for additional tuition assistance.
- ◆ Tuition assistance application deadline is April 15, 2020 for current families and new families registered by April 1, 2020.
- ◆ New families registering after April 1, 2020 should apply within 2 weeks of registration.
- ◆ Final tuition rates are set after a **verified** FACTS application is received.

Please note that FACTS Grant & Aid *does not* determine the award amount; the service simply provides ASCA with a detailed analysis of a family's financial situation along with a recommendation of what FACTS Grant & Aid believes each family should be able to contribute toward the student's education. All of the family's information is kept strictly confidential. Applications missing information [e. both parents income (regardless of living arrangements), all members in a household, additional child support payments, etc.)
