

# All About Your TEACHER

## WELCOME

My goal in the art room is to help instill a love of learning in your child. I enjoy working closely with the staff to build learning and make connections between art, core subjects, and other cultures.

## ALL ABOUT ME

Outside of the classroom my main joy is to spend time with my husband and two daughters. In my free time I enjoy scrapbooking, watercolor painting and spending time at the beach collecting seashells. Ask any student, I love anything Disney and I'll never turn away a cookie.

## MY EDUCATION

I earned both my B.S. and M.S. Ed in Art Education at Nazareth College of Rochester. I hold my permanent certification from NYS in Art Education (Birth-12). I continue my education through CTLE and am an active member of New York Art Teacher's Association. This is my 13<sup>th</sup> year of teaching and my 4<sup>th</sup> year at All Saints!
