I also received a Master's Degree in Literacy (Birth - Grade 6) from the College of Saint Rose.

This is my tenth year working at All Saints Catholic Academy.

Previously, I have taught Kindergarten as well as had experience teaching in a variety of other grade-levels.

Some of my favorite things to do:

Reading

Watching movies

Camping

Going to the beach

Spending time with my family

## In My Classroom

You can expect your child to:

- Engage in cooperative play through a variety of different centers
- Learn letters and numbers through the academic program "Handwriting Without Tears"
- Develop skills that will help them both in and out of the classroom
  - Have fun!

I look forward to working with you and your child to give them an exciting year in Pre-K!
