

The ASCA Drama Club would like to announce that the 2024-2025 production will be.....

Moana Jr.!

This production will be open to all students entering grades 3-8 (actors only at this time, I will be looking for stage crew later)

Parents, if your child is interested in being a part of next year's musical, please complete the following:

- Download the Band App (it is free and will be our source of communication)

- Email Drama@ascaalbany.org -I will send you the link to our Moana Jr. Group

****This musical is based on the Disney movie Moana. Some of the songs contain the native language of the people of the Pacific Islands. It is important that all participants of this musical learn the correct pronunciations of the words that will be used in some of the songs. I will post videos for them to listen to and practice over the summer so they can be ready to go in September.**
