

Summer Reading Challenge

Happy Summer!

This year your child worked very hard building their reading skills. To be sure that they do not experience “Summer Slide” we are offering this fun Summer Reading Challenge to keep them reading and learning. Although it is not required to participate we hope you will encourage your child to keep reading throughout the summer months. This will help them maintain the skills they have developed as well as help them to continue to improve.

This year we are celebrating the fact that not only is reading fun, but you can do it anywhere, with anyone, anytime! Attached is a summer reading kit. In this kit, you will find a Summer Reading Bucket List, a Summer Reading Who-What-Where-When-How Recording Log and a bookmark! We are asking each child to try and complete as many of these different reading activities as they can by the end of the summer. Mark the box for each one you complete. The goal is complete them all before you return to school in September. Hold on to the log and return it to your teacher the first week of school. Any child who successfully completes this challenge and returns the log in September will be eligible for a prize or treat!

We hope you all have a restful and relaxing summer. Keep Reading!
