

Spring Clubs at ASCA

We are excited to offer a great selection of spring clubs here at ASCA! Below is the list of clubs available this season, along with their meeting dates, locations, and facilitators.

- **Meeting Time:** 3:00 PM - 4:00 PM
- **Dismissal Location:** Courtyard
- **Late Pick-Up:** Any students not picked up by 4:05 PM will be sent to the After School Program (ASP), and ASP fees will apply.
- Please be aware that a club may be canceled if there is insufficient enrollment. Families will be notified in advance if this occurs, and a new option can be requested.

Each club will run for 5 weeks. Clubs will begin the week of April 28th. There is a **\$65 fee per student, per club**. **All payments must be made in cash**. Please note that refunds will **not** be provided for missed club meetings.

Mondays

- **Board Game Club**

Want to make new friends and have a blast? Join the Board Game Club! Each week, we'll play a mix of classic and new board games that are perfect for all kinds of players. Whether you love strategy, teamwork, or just a good challenge, there's something for everyone. Come roll the dice, make new friends, and let the games begin!

Grades: K-3

Session Dates: 4/28, 5/5, 5/12, 5/19, 6/2

Facilitator: Mrs. Forth

Location: Kindergarten

- **Computer Club**

In Computer Club, students will dive into the exciting world of technology as they learn hands-on skills like assembling desktop computers, troubleshooting and repairing hardware, and installing the latest software and operating systems. It's the perfect club for tech enthusiasts ready to explore, create, and elevate their computer expertise!

Grades: Grades 3-8

Session Dates: 4/28, 5/5, 5/12, 5/19, 6/2

Facilitator: Mr. Harrison

Location: Middle School Social Studies Room

- **Craft Club**

Do you love to cut, glue, paint, and create? Then Craft Club is the perfect place for you! Each week, we'll make a fun and creative craft that you can take home and share. From paint and paper to beads, buttons, and more—we'll use all kinds of materials to bring your imagination to life. Come join the fun and get crafty with us!

Grades: PK2, UPK1, UPK2, K, 1, 2, 3

Session Dates: 4/28, 5/5, 5/12, 5/19, 6/2

Facilitator: Mrs. Coffey

Location: Art Room

- **Fashion Club**

Love to sketch your own designs? Do you love bling? Then Fashion Club is the place for you! Come join us and bring your creativity to life. We'll be using fabric markers, rhinestones, and more to turn your ideas into real, wearable art. Don't miss out on the fun—join Fashion Club and let your style shine!

Grades: 3-8

Session Dates: 4/28, 5/5, 5/12, 5/19, 6/2

Facilitator: Ms. Shay Allen

Location: Middle School Science Room

- **Mythbusters Jr.**

Is it fact or fiction? Join us in MythBusters Jr. Club where we'll turn everyday questions into exciting, hands-on science experiments! Each week, students will put popular myths to the test using observation, prediction, and experimentation—just like real scientists. Get ready to bust some myths and discover the truth behind everyday mysteries!

Grades: 1-6

Session Dates: 4/28, 5/5, 5/12, 5/19, 6/2

Facilitator: Mrs. Kienzle

Location: Grade 2

Tuesdays

- **Books and Cooks**

Calling all junior chefs! It is time to cook up some learning fun. Each week, students will take part in a "book-nic" adventure where they will enjoy a story and then cook up a tasty treat related to the theme of the book!

Grades: 1-4

Session Dates: 4/29, 5/6, 5/13, 5/20, 5/27

Facilitator: Mrs. Kienzle

Location: Grade 2

- **Breakout/Escape Room**

Put your detective and decoding skills to the test as you solve puzzles and riddles to break out before time runs out! Students will engage in both a digital format and hands-on Breakout Boxes for a fun and challenging experience.

Grades: 3-8

Session Dates: 4/29, 5/6, 5/13, 5/20, 5/27

Facilitator: Mrs. Nowosielski

Location: Middle School Science Room

- **Storybook STEM**

Join us for Storybook STEM, where we'll read a fun story and then dive into a hands-on STEM challenge! After the read-aloud, students will become "makers" and work on exciting science, technology, engineering, and math activities. It's a great way to learn, create, and practice important skills while having fun with friends!

Grades: 1-4

Session Dates: 4/29, 5/6, 5/13, 5/20, 5/27

Facilitators: Mrs. Forth

Location: Kindergarten

Wednesday

- **Beginner Ukulele**

Are you a serious music lover who wants to learn how to play the ukulele? This club is for those who are passionate about music and eager to master the ukulele. Whether you're a beginner or looking to improve, you'll develop your skills and have fun making music!

Grades: 2-6

Session Dates: 4/30, 5/7, 5/14, 5/21, 5/28

Facilitator: Ms. Blackwell

Location: Gathering Space

- **Book Club**

Book Club with a Scientific Twist: The Science of Breakable Things by Tae Keller. Enjoy a good book, an exciting conversation, a cup of hot chocolate, and maybe even some science experiments along the way.

Grades: 5-8

Session Dates: 4/30, 5/7, 5/14, 5/21, 5/28

Facilitator: Mrs. Nowosielski

Location: Middle School Science Room

- **Cursive Club**

Join Cursive Club and explore fun activities to improve your cursive writing! Each week, you'll practice your skills and learn other exciting handwriting styles. Whether you're mastering the art of elegant loops or discovering new ways to write, Cursive Club makes learning handwriting fun and creative!

Grades: 3-8

Session Dates: 4/30, 5/7, 5/14, 5/21, 5/28

Facilitator: Dr. Steele

Location: Middle School ELA Room

- **Literacy Snacks**

Come join us for a fun read-aloud and then make a yummy snack based on a character from the story! It's a tasty way to enjoy books and have fun with friends!

Grades: PK2, UPK1, UPK2, K

Session Dates: 4/30, 5/7, 5/14, 5/21, 5/28

Facilitators: Mrs. Coffey and Miss Lexi

Location: Pre K 1 Room

- **Rubik's Cube**

Ready to take on the challenge of solving the CUBE? Join **Rubik's Cube Club** where you'll learn how to solve different types of Rubik's Cubes! Everyone will receive their own cube to practice with as we explore strategies, improve our skills, and have fun solving puzzles together!

Grades: 1-8

Session Dates: 4/30, 5/7, 5/14, 5/21, 5/28

Facilitator: Miss Emily Coffey

Location: Music/World Language Room

- **Sports Club**

Get ready to move, play, and have fun! In Sports Club, students will try out a variety of games and activities like soccer, basketball, and more. Whether you're shooting hoops, scoring goals, or just playing for fun, there's something for everyone. Come build teamwork, stay active, and enjoy the game!

Grades: 3-8

Session Dates: 4/30, 5/7, 5/14, 5/21, 5/28

Facilitator: Miss Durant

Location: Grade 3

Thursday

- **Pokemon Club**

Step into the exciting world of Pokémon! In Pokémon Club, students will explore their favorite characters through games, creative crafts, and fun activities inspired by the Pokémon universe. Whether you're battling, trading, or just a superfan, this club is all about adventure, imagination, and catching 'em all with friends!

Grades: K-5

Session Dates: 5/1, 5/8, 5/15, 5/22, 5/29

Facilitator: Miss Durant

Location: Grade 3

- **Creative Writing Club**

Join the Creative Writing Club to explore your imagination and bring stories to life! Whether you love writing poems, stories, or scripts, this is a space to share ideas and grow as a writer.

Grades: 3-8

Session Dates: 5/1, 5/8, 5/15, 5/22, 5/29

Facilitator: Dr. Steele

Location: Middle School ELA Room

- **Gardening Lab**

Get ready to dig in, explore, and grow! We'll set up hydroponic growing systems, plant seeds in soil, and conduct fun experiments to see which plants grow best. Kids will track their plants' progress, learn about nutrients, and even harvest fresh herbs and veggies! Whether planting, experimenting, or getting their hands dirty, every session will be a new adventure in science and nature. Come grow with us!

Grades: 1-6

Session Dates: 5/1, 5/8, 5/15, 5/22, 5/29

Facilitator: Mrs. Kienzle

Location: Grade 2

- **Pre K STEM Club**

Welcome to the Pre-K STEM Club, where little hands make big discoveries! We'll play, build, explore, and imagine through fun science, tech, engineering, and math adventures made just for curious kids!

Grades: Pre K 1, Pre K 2, UPK 1, UPK 2

Session Dates: 5/1, 5/8, 5/15, 5/22, 5/29

Facilitators: Miss Saunders, Miss Gia, and Miss C

Location: Pre K 2 Classroom
